

BOULTON

POWERBOATS, INC.

RIVER MASTER

AS OF THIS MOMENT ALL OTHER ALUMINUM BOAT MANUFACTURERS ARE HISTORY

The River Master is the boat for those with bigger plans in mind. The wide constant dead rise hull design gives you a wide variety of options such as cargo, fishing, skiing and offshore with unmatched handling & performance.

If you are ready for the extra room, stability and comfort that other manufacturers can't provide, then it's time to step into a River Master.

BE PART OF THE ELITE
