**PURCHASING PROCESS**

Please review all details of the estimate provided to you by Boulton Powerboats. Once the estimate has been reviewed and is accepted customer can send an email or phone call to proceed. At this time you will receive a PURCHASE AGREEMENT from Boulton Powerboats. Once this is received it must signed and returned along with you deposit. Once all paperwork is processed your boat will be placed on the build schedule. You will receive and approximate build time and completion schedule. Once build is started you will receive weekly updates and pics of the build as it progresses. When your boat nears completion, approximately 2 weeks out, we will schedule your water test and delivery if appropriate.
